Thank you for your comments during the public comment period on proposed WPDES Municipal Separate Storm Sewer System (MS4) General Permit No. WI-S050075-2 and/or General Permit No. WI-S050181-1. Attached is a PDF document of the WDNR's responses to comments.

The two MS4 GPs have been signed and are effective as of today, May 1. The MS4 GPs and the responses to comments document will be posted on the WDNR website on Friday May 2 and a GovDelivery notification message will also be sent out to MS4 topic subscribers.

MS4s previously covered under General Permit No. WI-S050075-1 will be notified in writing that they are covered under the reissued permit, Permit No. WI-S050075-2. These letters of notification of coverage will be mailed out the week of May 5<sup>th</sup>.

For Permit No. WI-S050181-1, please be aware that no MS4s are yet covered under this general permit. MS4s that the WDNR believes require coverage under Permit No. WI-S050181-1 will be notified in writing by the WDNR at a later time.

Thanks again for you time and efforts. Jim
